### **Budd Van Lines Receives Supplier Innovation Award at Cartus 2008 Global Network Conference**

---

**(Somerset, New Jersey, November 24, 2008)** – Budd Van Lines was recently honored for outstanding performance by Cartus at its 2008 Global Network Conference held October 27-28 in Washington D.C. USA. Cartus Global Network is Cartus' industry-leading worldwide service provider network. Each year, Cartus recognizes the companies and individuals in the Network who have provided extraordinary service to its international customers and clients.

Budd Van Lines was named winner of the Global Network *Supplier Innovation Award*. This award is presented to a supplier that has submitted an application demonstrating either significant cost savings and/or increases in service results to Cartus clients and customers.

"Service providers such as Budd Van Lines routinely go above and beyond for our clients and our company, while at the same time demonstrating unparalleled dedication and performance," said Traci Morris, senior vice president of supply chain management of Cartus. "As a vital extension of the Cartus team, our Global Network providers help minimize the stress that our clients and their employees face when they are dealing with important life decisions such as relocating. This award acknowledges Budd Van Lines' innovations and improvements."

"Being invited to join Cartus' Global Network is an honor because the program's criteria and performance standards are so stringent," said **David Budd Sr., President of Budd Van Lines**. We fully endorse Cartus' dedication to providing high-quality service and are grateful to have received this prestigious designation, which further enhances our commitment to world-class service."
